READ:-

G.O.4192 Development dated 12-8-1948.
From the Registrar of Co-operative Societies,
No.80349/48 Sii dated 8-9-1948.

O R D E R:

The Government agree with the Registrar of Co-operative Societies that Societies of tried merit alone should be selected for the distribution of mill cloth and yarn and that harijans, instead of forming new societies, can join the existing co-operative societies to obtain their requirements of cloth and yarn. The Registrar of Co-operative Societies is requested to instruct the Deputy Registrars to inform all societies selected for distribution of cloth and yarn that the strictest impartiality in equitable distribution irrespective of caste or creed is absolutely essential. (v)

2. A list of the actual number of Societies proposed to be licensed for whole-sale and retail distribution may be sent to the Government urgently for information. Separate lists may be sent in respect of cloth and yarn.
